

# **POOL OPEN AS OF WEDNESDAY, JUNE 16, 10 AM.**

The pool will be open on **Wednesday, June 16<sup>th</sup> at 10 am**. Due to the relaxation of restrictions from the provincial government, we are **no longer required to utilize a schedule** as had been done last summer, meaning the pool is open to all owners every day of the week. Please note, however, that there are many Covid-19-related rules still in effect.

Strata council has worked hard to update COVID - 19 guidelines to ensure that everyone is safe as we open the pool. Failure to adhere to these guidelines could result in denied access or the pool closing down for the season.

## **SOCIAL DISTANCING**

In consultation with Fraser Health the following numbers have been determined:

- Fifteen (15) people in the pool at one time - social distancing must take place
- Fifteen (15) people on the pool deck at one time – social distancing must take place

In order to remain safe, deck chairs will not be permitted around the pool. Chairs will only be permitted at the end of the pool (shallow end).

See taped x's.

As per Fraser Health guidelines the pool is open **ONLY** to the residents of NW 39 & NW 65 . **NO POOL GUESTS PERMITTED.**

**POOL HOURS: 10:00 - 8:00**

Instances of guests accessing the pool were reported in 2020, therefore for 2021 failure to adhere to this guideline will result in denied access to the user and could also result in the pool closing down for the season.

## **PERSONAL HYGIENE**

Hand washing must take place before entering the pool. After washing hands, please wipe down the area. It is recommended that owners bring sanitizing wipes for wiping down surfaces after using, (please ensure that the wipes are thrown in the garbage, **DO NOT FLUSH DOWN TOILETS** )

No Showers

Please note that the showers are **CLOSED** and **NOT accessible** this year.

Please do not enter the pool area if you are not feeling well or have any symptoms of Covid-19.

## **COVID-19 WARNING**

- The danger of exposure to the coronavirus that causes COVID-19 exists.
- By entering the pool, you take responsibility for your own protection and for disinfecting your hands and anything you touch in the pool area.
- Do not use the pool if you have a cough, fever or other symptoms of illness. Maintain at least 6 feet between you and other people who are not a part of your household.
